Supporting Research Workshops Through LibGuides
Auraria Library

• Serves three schools:
  • University of Colorado Denver,
  • Metropolitan State University of Denver, and
  • Community College of Denver.

• Most students are part-time.
• Over 50% of undergraduates are transfer students.
• Majority of students live off-campus.
• Many students take online courses.
Research Workshops

• Workshops designed by the Researcher Support Services department to support the research needs of faculty, staff, and students on Auraria Campus.

• For each workshop, we create a lesson plan with learning objectives, presentation, handout, and LibGuide.

• Workshop topics originally selected from informal feedback. Additional workshops designed based on survey feedback.
Workshops Offered

• Fall 2016
  • Data Management
  • Data Visualization: Fundamentals
  • EndNote
  • Mendeley
  • Publish Your Research

• Spring 2017
  • All of the above and...
  • GIS: An Introduction
  • Poster Design
  • Promote Your Research

• Fall 2017
  • All to the right and...
  • Wikipedia Editing

• Spring 2018
  • All to the right and...
  • Data Visualization II: Tableau Public
  • GIS II: Spatial Analysis
  • Presentation Skills
So, how do LibGuides fit into this...

• Share workshop material
  • Presentations
  • Handouts
• Workshop information AND supplemental information
• LibGuide → Workshop
• Workshop → LibGuide
Future Plans

• Increase “Workshops by Request”
• Review and update workshop material and corresponding LibGuides
• Create tutorials and upload to LibGuides
• Develop “workshop assignments” and post on LibGuides
• LibCal for registration!
Questions?
Thank you!
